Hi Rich,

Do you have comments on the ppt briefing tomorrow for Tomas? There's another briefing next week for Alexis.

I'm still resolving a few issues on the draft permit language and should be sending the final draft to you in the next day or two. Our timing is delayed to public notice to next week.

Thanks, Nancy

Hello Nancy,

Thank you for sending this PPT yesterday. I have made some comments throughout the presentation and attached them to this email. Any change I made is identified in red font.

Good luck on the briefing with Tomás on Wednesday afternoon. I'm looking forward to hearing about the discussion on Thursday.

Thanks,
